PCSO Sharon Baker

2. INTERESTS AND DISPENSATIONS

Mr Ellis – minute 5.2

Mr Venn – minute 5.4

3. POLICE REPORT

The latest report, for December 2017, indicated there had been 37 calls for the Bradford on Tone area. Rurally there had been several non-dwelling burglaries, predominantly from farm buildings with equipment and quadbikes being of special interest.

4. MINUTES OF THE MEETING HELD ON 29 NOVEMBER 2017

The minutes, having been circulated, were taken as read and signed as correct. The proposer was Mr Pearce, seconded by Mrs Sidhu.

5. UPDATE ON ITEMS IN THE MINUTES

5.1 Land outside Threeways, Bradford on Tone

No further information had been received from Somerset Highways.

5.2 Parish Magazine Costs

Mr Haines had spoken with Bishops Hull Parish Council about costs and circulation figures of their parish magazine. He would meet Mrs Ellis and Mrs Vaughan regarding future costs of printing and income from advertising. They would report back to the March meeting.

5.3 Bradford Bridge

The Clerk said he did not yet have a revised 'Exemptions' list nor the costs of installing CCTV at the bridge.

5.4 Section 106 Contributions – play area and outdoor recreation

Mrs Sidhu circulated a plan on which she and Mrs Herdman had identified six potential sites for a proposed children's playground. A meeting had been organized with Mr Venn and the landowner of two of the sites. This matter would be considered further at the March meeting.

5.5 Footpath behind The White Horse Inn/Dalgren Bridge

Mrs Pearce, Somerset County Council's Rights of Way warden for bridges, was unable to attend the Parish Council meeting to explain the problems behind the long delay in reopening this important public rights of way. She had made contact with the relevant landowner regarding the possibility of a temporary permissive route. Any permanent proposal would be dependent on the preferred option of the Taunton Strategic Flood Scheme and discussions with Network Rail and all the landowners affected.

5.6 Footpath from Worlds End to Village

Bradford on Tone would be one of the first parishes to benefit from ultrafast Broadband. As trenching would be involved the Clerk would find out if it would take place in the footway or road between the village and A38. It was therefore agreed not to go ahead at the present time with quotations for the sealing of the cracks in the footway.

5.7 Hinkley Point Community Fund

Mr Hunt mentioned a number of national businesses who might have some funding, for example, children's play areas. The Clerk would liaise with Mrs Herdman and Mrs Sidhu to see if any funds might be forthcoming.

6. TERMINATION OF THE CURRENT SPEED INDICATOR DEVIDE (SID)

Somerset County Council were to terminate the SID programme on 31 March 2018. They had outlined a revised programme which could be considered from 1 April 2018 if parish and town councils were willing to contribute. They had also suggested three scenarios, which had been circulated.

There was considerable discussion as to the benefits, or not, of having some type of SID in the village. Mr Hunt said it might be a good idea to discuss with the neighbouring villages of Oake, Nynehead, West Buckland and Langford Budville. He offered to ask Jo Sharp from Somerset County Council to meet councillors on site for further discussion. Mr Haines supported the installation whilst Mr Dinsdale, Mr Ellis and Mr Pearce could not see the advantages. This matter will be considered further at the March meeting.
